UNIVERSAL MARINA

RIVER HAMBLE

A person wearing a red life vest and dark clothing is kneeling on a wooden boat deck. They are focused on a task, possibly adjusting a rope or a piece of equipment. The background shows a marina with several boats docked. The overall scene is bright and outdoors.

To work within a diverse Team keeping land and marina checks up to date along with all associated tasks with keeping the site tidy and running smoothly. It is a very active job and is based outside all year round. Some weekends will be required with this role.
